

# French Flashcards: Numbers 1 to 10: Age 5 to 7 (French Flashcards Childrens Activity Book Number Flashcards French E-books)

Flashcards for your child to learn and practice french numbers 1 to 10. Numbers 1 to 10: Learn & practice, includes images to count for each number and the french written number. Count: Count in french the number of animals on each flashcard. Match: Count the number of animals and match it to its french written number. Find: Find the number of animals from a selection of 4 boxes. Navigation Links: Top of each page, skip between sections. Bottom of each page, skip to the flashcard within a section. If you have downloaded the sample - only a limited number of the links will work. Find FREE printable resources from VirtualLearningBooks.co.uk or find other e-books search Amazon for C.F. Crist.
