

Talk Chinese Series: Emergency Talk (Chinese Edition)

Talk Chinese Series is the first series on practical colloquial Chinese, compiled and developed based on the theory of communicative functions. By imitating real life situations, it allows learners to experience the charm of the Chinese language and learn the most commonly used words, phrases, slang, customary usages, everyday expressions and sentences. As long as one masters the contents of this series, one can respond comfortably in most situations with the knowledge and oral expressions learned.
