

## Pagan Portals - Moon Magic

Moon Magic is an introduction to working with the phases of the Moon, what they are and how to live in harmony with the lunar year and to utilize all the magical powers it provides. Its filled with the basics of the lunar cycle, the representations and correspondences of each phase, what magic to work and when and also includes a look at the lunar year, moon deities, moon spells, meditations, specific moon rituals, moon names, tree moons and moon recipes.
