

Beautiful Broken (Nova Scotia Series Book 2)

Isabelle's saga continues in the mid-1700s from Book One, Nova Scotia Runner, with Isabelle's realization that her past Nova Scotia life will wreak havoc for her unless she returns and faces the issues from which she ran. In Beautiful Broken, the hunter and the hunted are thrown together in an unexpected way, each one relying on the other, not only for survival on an arduous journey from Savannah, Georgia, back to Nova Scotia, but, underneath the surface, they are also relying on each other to find their own answers to what life has dealt them. The story is intertwined with an unassuming instrument, a small flute, which draws the characters into a dance of life that affects each of them profoundly and, yet, uniquely. Will Isabelle get back to Joseph and the children? Will she ever be able to forgive those who dealt with her harshly and undeservingly? Will she have the courage to face all with which her past wantonly wants to crush her? Subjects include: Ebenezer Georgia, Liverpool Nova Scotia, bluenose, Congaree River, Savannah River, ferry, slavery, slave patrol, miracles, love triangle, love story, Cherokee, rattlesnake bite, medicine man, answered prayer, faith, death, grief
