

Snappy Sermons for Kids: 5-15 Minute Sermons Designed to Engage & Inspire

Dont Waste a Single Minute... Our 5-15 Minute Snappy Sermons Quickly Capture Kids Attention & Help Them See God in New & Exciting Ways (Before Their Minds Wander Off!) Ideal for Pastors, Sunday School Teachers & Parents Most Pediatricians agree that a childs attention span (in minutes) is typically equal to their age. So, a 5 year old will generally be able to give you 5 solid minutes of focus on one topic or lesson. A 7 year old, 7 minutes. A 9 year old, 9 minutes. That means we have precious little time to capture kids attention & teach them valuable lessons about God. Our Snappy Sermons are power-packed 5-15 minute mini-lessons that cut right to the chase on teaching kids important (essential!) principles of our faith! Our Snappy Sermons are one-page wonders! 1) Short Means Less Prep & Planning for YOU- you can literally teach them right off the outline 2) Our Lessons Are to the Point for the KIDS- We get to the meat of the lesson before kids minds wander off 3) Ultimate Flexibility- Have these Snappy Sermons at the ready when you need a 5-15 minute time filler! Featuring 30 sermons, this collection is just what you need to lighten your work load while ensuring kids learn about God and start to see Him working in their lives. Each sermon uses a Bible passage along with a household object to help children (and even adults who may be listening) see God in a new and exciting way. And dont worry, the household objects are just that very common objects found in most households, like batteries, blankets, bowls and tennis balls. There wont be any unexpected expenses or difficulties with this sermon series, everything is simple and straightforward ... but also highly effective. Each message is fresh and original and arranged for easy reading and understanding. You will get excited to teach the idea as quickly as you read it!
