

Physicians Desk Reference, 66th Edition [PDR-2012 LIB ED] [Hardcover]

Synopsis Physicians Desk Reference has been the authoritative source on prescription drugs for 66 years. Found in virtually every physicians office, pharmacy, clinic, and library, no medical reference is more current, more recognized, or more respected. Now in its 66th year, PDR contains full FDA-approved drug label information, including warnings and precautions, drug interactions, and hundreds of full-color pill images. Every label in PDR includes information on dosages, side effects, and safety information, such as contraindications, pregnancy ratings, and interactions with other drugs, food, or alcohol. Data on clinical trials is also included. Provides critical information on the most commonly prescribed drugs in the US. This title includes: dosages; indications; warnings and precautions; side effects; safety information such as contraindications, and pregnancy ratings; interactions with other drugs, food, or alcohol; clinical trials data; and, more. The most authoritative source of FDA-regulated drug information available, the 2012 edition of the PDR provides reference to thousands of drugs and includes full label information on the most commonly prescribed drugs, plus full-size and full-color photographs, warnings, and more.
