

# Encyclopedia for the New American Century: Understanding Verbalizations in This New Age of Empire, Mythology and Consumerism. (Paperback) - Common

Has the New American Century has started without you? Get with it! Its time for everyone to get in line and join in the new unity and spirit of uni-partisanship--or else! The first step in knowing whats expected of you is to understand the language of dittoheadedness, neo-conformism, neo-speak and good old ass kissing of the properly imposed authorities. You might as well join up because if you ...
