

Practical Spellcraft: A First Course in Magic

Now anyone with an earnest desire can learn to cast spells with this intriguing introduction to the craft. Written by a practicing witch, this all-encompassing first course in Wiccan magic simplifies everything from performing spells to conducting candle rituals and using a talisman. Also included here are: A general introduction to witchcraft, sabbats, Halloween, and the key tools and concepts of spellcasting. Candle, garden, animal, and self-defense magic. Spells for love, money, fertility, and health. A chapter on writing your own spells. This is a practical introductory guide for everyone. Love life gone limp? Reinvigorate your relationship with a seductive spell. Boss too demanding? Use a little magic to help her reconnect with her softer side. Lost your precious pet? Bring him back home with a heartfelt incantation. With the wealth of Wiccan wisdom in these pages, you can choose a spell to improve any aspect of your life, from career and money to health and family well-being. Upbeat and up to date, this volume brings witchcraft into the 21st century with a modern magic focused on gaining control over your life and understanding your destiny.
