

Preppers Box Set: 42 Survival Resources to Increase Your Safety in Case of EMP and Practical Preparedness Steps for Jungle Survival (Preppers, Preppers Box Set, Preppers guide)

BOOK #1: Preppers Hacks: Top 16 Resources to Have so That You Never Go Through a Disaster Under Prepared This book covers some of the most essential survival skills which should be learned prior to being needed. If the worst was to happen it will be those who are prepared not those who are fittest who survive and even flourish. Now is the time to learn these skills and to practice whilst your life is not depending upon it. This book is not just designed to provide you with some survival tips should the worst happen; it should start you thinking differently about the everyday objects surrounding you and how they can be applied differently. Discussing survival tactics may seem like scaremongering or disillusionment with society but the tips provided in this book are genuine and can be used in a wide variety of situations. They say knowledge is power- now is the time to take power and be ready for anything! Here is what you will learn after reading this book: Survival methods of producing light Methods to stay warm and eat hot food Ways to ensure you continue to have food and drink available through times of emergency Having essential supplies...

BOOK #2: EMP Survival: 26 Steps on How to Increase Your Safety in Case of EMP and Solar Flares An EMP blast, or electromagnetic pulse, is one of the absolute worst disasters that can happen to civilization today. Not only are we in constant threat from religious extremists, who have the ability to build these weapons with no problem, but we also have a giant fusion reactor constantly throwing highly ionized atoms our way. These are called CMEs, or coronal mass ejections, which our sun is due up for very soon. When this situation happens you can expect no more technology, power, or internet. Things aren't always going to go your way, but with these tips you can definitely increase your odds of survival

exponentially. Here is what you will learn after reading this book: Ways to increase transportation How a Faraday cage will protect you The medical items you need How potassium iodine can protect your thyroid
