

Priscilla the Great: The Kiss of Life (Book #2)

Hey there! Its me again, Priscilla, a lean, mean, tween machine. Just when Im finally getting the hang of my powers, something even more confusing and harder to understand enters my worldboys. Thats right, I can shoot fire out of my fingers and lift a car with one hand, but for the life of me I cant decode boy-speak and that just might turn out to be the death of me.
