

Learn Modern Russian. The Russian Spring in Ukraine

This unique multimedia manual will help intermediate level students to learn modern Russian using texts about hot topics Russians are discussing today. This volume is devoted to the political crisis in Ukraine and Russias role in the dramatic events in that country. Each Russian text has stress marks, and is accompanied either by parallel English translation or a vocabulary as well as by audio and video materials. The manual contains links to audio recordings of some texts and vocabulary, which show how Russian words are pronounced by a native Russian speaker. This manual gives a chance to learn not only the Russian language but life in modern Russia, attitudes and opinions of its people with the help of the video material it is accompanied by. See more details about this and other books on the Russian Novels in Russian and English page on Facebook.
