

Pssst! Its Me... The Bogeyman

Its the Bogeyman, and hes stew-spewin, gravel-chewin mad. Hes tired of all the nonsense people say about him. He doesnt say BOO -- thats a baby word. He doesnt want to get ya -- if he got ya, what would he do with ya? His job is to scare you, and hes very good at it -- unless you happen to know the secret that will send the Bogeyman scrambling in terror to someone elses bedroom.
