

Perspectives on Audiovisual Translation (Lodz Studies in Language)

The book offers a general and up-to-date overview of the wider discipline of Audiovisual Translation (AVT), including practices such as accessibility to the media. The innovative and exciting articles by well-known authors offer a comprehensive selection of topics for discussion and reflection that will appeal to students, lecturers, researchers and professionals alike, and indeed to anyone concerned about the way in which translation is carried out in the audiovisual media.
