

Your Journey from Fired to Hired - From Fired to Hired

You're fired. Two words nobody ever wants to hear. It doesn't really matter why you heard those infamous words, what matters is what you do now. It's time to move forward and Your Journey from Fired to Hired will walk you through every step. You'll start in the beginning with I've been fired, now what? The section includes everything from how to accept what's happened and move on to why silence is golden for the first 72 hours. Next you'll walk through housekeeping issues like severance packages, HR issues, budgeting and unemployment lines. Then it's time for the fun stuff! Learn tips to find jobs that you actually want to do. This section helps you identify your passions and strengths because life is seriously too short to do something you hate! And finally, you will gain tips that include leveraging LinkedIn, interviewing, negotiating and ACCEPTING a job after hearing those two big words. This is just the beginning of your journey. A journey that can lead to a better life than you ever thought possible, if you only follow a few of the simple steps outlined within these pages.
