

On Christmas Morning

This title is intended for ages 2 to 5 years. Following the success of *On Easter Sunday*, Patricia Pingry lends her talents to this simple, sweet story of the true meaning of Christmas. She begins with a description of the many holiday activities that keep us busy. She then takes us through a short retelling of the story of Jesus birth and brings us full circle with the meaning behind some of our holiday traditions. Colourful illustrations accompany this small board book written just for young ones.
