

Valentinos Curse: The Sheik Returns

Valentinos Curse is a paranormal thriller peppered with the elements of the noir, erotic-romance and is rife with metaphysical implications. The principal character, Emma Glass, a wealthy and much desired woman, is abruptly propelled through a seemingly endless night-mare of terror and death which has consumed generations of her family, commencing in the Chicago of 1926 with the sudden death of the young silent film star, Rudolph Valentino. Her involvement with the supernatural world, deadly seances and angry spirits will be a shattering experience for the reader.
