

Discovering Your Past Lives: The Ultimate Guide Into and Through Your Past Life Memories

If you're ready to explore who you were before and how the events and emotions in your past lives affect and influence who you are now, this book offers you a journey into and through your memories that show you the pictures of your past lives. Have you ever met someone for the first time, yet felt you'd known him or her forever? Have you ever been someplace for the first time, yet experienced a sense that it was very familiar? These experiences indicate a connection with your past lives. Through repeated incarnations, you gain knowledge and resolve negative situations (karma) incurred in previous lives. You're guided through understanding, balancing, and healing your karma in a clear, loving way. You'll see how to recognize soul mates and special people you've been with before, and understand their connections to you now. You're offered many avenues to pursue in helping you open your memories, such as dreams and déjà vu, current clues, past patterns, pre-birth promises, carry-overs, continuations, and much more. As you put together the puzzle pieces of your past lives, you'll see how all your experiences, in every lifetime, have shaped and molded you into who you are now. Unraveling and understanding your past lives is like reading a wonderful mystery novel. Your past lives are filled with interesting and informative characters who share secrets and clues with you. You'll find fascinating facts and hidden truths. You're the detective and it's up to you to unearth the clues that will lead you to discovering your past lives. The value of remembering your past lives is in the insights and knowledge you gain into the experiences in your present life. The benefits of remembering the events and emotions in past lives is in applying those insights and knowledge gained from your past life journeys into your present life.
