

## Religion The Curse of America and the Western World

Tom in 1945

### Religions

The Curse of America and the Western World

World religions claim to be doing God's work for America and the Western World over the past centuries. The result is Muslims killing Christians, Christians killing Muslims, all killing Jews. Roman Catholic Christians killing Christian Protestants, Christian Protestants killing Roman Catholic Christians. Sunni Muslims killing Shiite Muslims, Shiite Muslims killing Sunni Muslims, all killing Jews.

**"GOD BLESS AMERICA"**

*By LCDR Tom McBride USN/Ret.*

Tom McBride, who served on the USS Bennington as a Corsair fighter pilot in World War 2, shares his remembrances of wartime adventures, post-war flying experiences, and much, much more, including the origins of the universe, first life on earth, and his thoughts on religion and the enemy within. This old warrior may no longer be involved in gunfire wars, but he is hell bent in verbally attacking those he calls the enemies within who are attacking his beloved 1776 founders goals and dreams for America as well as their attacks on the judicial branch of our government. He is now as dedicated to the goals of the Americans United for Separation of Church and State as he once was as a warrior fighting Americas enemies overseas.
