

The Change

Why are people in Josephines Arizona town dying of spontaneous combustion? Jo doesnt know, but shes worried shes next. Her own temperature has been rising latelyreally rising. Some nights running for miles is all she can do to extinguish the flame she feels blazing within herand how does she not break a sweat? Jo feels like a major freak, but when death hits close to home, she realizes shes less alone than she thinks. Before anyone else gets hurt, its up to Jo to uncover the source of a transformation that has made her powerful, strongand dangerous. The pulse-quickening first book in a series by debut author Daphne Bristow will leave fans of Ally Condie, Scott Westerfield, and the X-Men wanting more.
