

Nutrition and Health: Web Resource Guide for Consumers, Healthcare Providers, Patients and Physicians

Nutrition and Health: Web Resource Guide for Consumers, Healthcare Providers, Patients and Physicians by Eugene A. DeFelice, MD is a state-of-the-art review of the subject matter, and provides a number of key Web Resources for additional information. This book may be used to quickly and easily search the Web to obtain current, comprehensive, reliable, and useful information on nutrition and health. With this information, one may take charge, control, and responsibility for their nutrition and health, make informed decisions with their physician/healthcare provider, and live a healthier, happier, longer, and more enjoyable/productive life. Eugene A. DeFelice, MD, is a recognized author, educator, and Distinguished Clinical Professor of Medicine who is listed in the prestigious Marquis: 1) Whos Who in Medicine and Healthcare, 2) Whos Who in America, and 3) Whos Who in the World. He is the author of numerous medical/scientific articles published in professional journals, and 9 key books on medicine, nutrition, and health; the last 3 are listed below. 1. Overweight, Obesity and Health: Web Resource Guide for Consumers, Healthcare Providers, Patients, and Physicians. Authors Choice Press, iUniverse, December, 2001. 2. Breast Cancer: Web Resource Guide for Consumers, Healthcare Providers, Patients, and Physicians. Writers Club Press, iUniverse, May, 2002. 3. Web Health Information Resource Guide: For Consumers, Healthcare Providers, Patients, and Physicians. Authors Choice Press, iUniverse, August, 2002.
