

High Priestess

High Priestess is a fascinating account of a witch's life as a High Priestess of the Great Goddess. Patricia verifies the Craft system of Degrees by providing proof of their usage in ancient times and gives startling evidence concerning the long-standing enigma of how Alex Sanders obtained the Book of Shadows, which he incorporated into his own brand of witchcraft. One of the most interesting parts of the book is her recollections of her friendships with occultists and witches such as William Gray, R. J. Stewart, Ray Bone, Ruth Wynn-Owen, and, of course, Gerald Gardner.
