

## Rumi Oracle: An Invitation into the Heart of the Divine

Rumi speaks a sacred language that we understand with our hearts rather than our minds. He knows the heart is the gateway to divine union and he doesn't want you to play small this lifetime. He encourages humanity to live and love with absolute surrender, abandon and willingness to accept the mysteries of life. Whether you have studied his poetry for years or are drawn to him only now, this oracle deck will strengthen and illuminate your connection with this beautiful and powerful soul who loves you with a fierce passion. Rumi has a heart so open that the entire world that he loves so dearly can easily be held within it. His is a path of love. To dance in divine love with him, you need only be willing to enter your own heart. May the blessings of this spiritual brother lead you into the bliss of your own divine heart-centred nature.
