

From the Sands of Iwo Jima

Bill Henderson grew up an ordinary boy in Depression-era North Carolina. He developed a heart for God at an early age and never stopped trusting that God could do more with his than Bill could do alone. Bills life has taken him from the sands of Iwo Jima to the halls of Washington D.C., from a small-town business to some of the most exclusive clubs in North Carolina, and from the humble beginnings of a ministers son to wealth, then financial difficulties, and back to financial independence. One of the end products of that life is the testimony this story offers. There is no greater glory on earth than believing in God and the redemption through his Son and finding out what God can accomplish through that faith. Bills failures and successes alike taught him to turn control over to God so that he might enjoy the freedom as a believer who knows what true riches await him beyond this life.
