Video Traffic Guru

IntroductionVideo is the way of the future-period. Even though written content isnt going away, people LOVE the being able to watch a video.Just look at the mega-giant YouTube. Every day thousands and thousands of videos get uploaded.Or look at Netflix- millions of people stream movies and television shows from them every single day.Video is huge, it keeps growing, and its here to stay. Thats why you need to jump on it NOW.How do you do that? First lets talk about finding a niche.
