Living Compass is a church-based faith and wellness program designed for individuals and small groups. Readers engage in a 10-week, self-guided wellness retreat, consisting of daily ten-minute readings, plus questions that guide the user to make small, meaningful action steps designed for getting your life, your relationships, and your work headed in a new direction, according to the author. Deeply spiritual and exceedingly practical, the new book joins the national Living Compass ministry, which includes educational classes on a multitude of wellness topics, small groups that promote and support those who desire to make healthy changes in their lives and, wellness resources (including a free Living Well with Living Compass app), social media, and soon, a new center for trainings and retreats that will be located in the offices of the Episcopal Diocese of Chicago.
