

True Spirit: Secrets of the Afterlife

The Afterlife is shrouded in myth and misunderstanding. To many, the Other Side is a complicated dimension, one that is beyond their comprehension. Yet it doesn't need to seem so daunting and difficult to understand. In *True Spirit*, acclaimed medium Tracy Higgs - known affectionately by her fans as TJ - draws back the veil of secrecy and reveals the truth about the Afterlife. Through a series of revealing anecdotes and personal experiences she dispels myths about a range of subjects from what happens to children when they pass over to the other side, to the reality of how animals and suicide victims exist and communicate in the spirit world. TJ also unveils the surprising truth about the secrets of spirit guides and signs from the spirit dimension. Throughout, her unique blend of honesty, heart and humour - her own *True Spirit* - shines through - as does her highly engaging story-telling. This is a book that will make you laugh, cry - and question all that you thought you knew about the Afterlife.
