

## Communication in Our Lives (with CD-ROM and SpeechBuilder Express(TM)/InfoTrac) (Wadsworth Series in Speech Communication)

This text provides your students with a powerful combination of exceptional skills development backed by unique attention to the research and theory of today's most prominent communication scholars. Your students will find everything they need to strengthen their public speaking, group, media literacy and interpersonal skills--and enrich their appreciation of communication's constant value to their lives. With Communication in Our Lives wonderfully integrated attention to diversity, conversational narrative style, and the most integrated and current technology package available, your students are sure to understand human communication and become effective communicators in today's mediated world.
