

## Its Raining Men: A Slacker Demons Novel

Archie is a demon. Hes so lazy, hes inches from losing his job. Chloe dates jerks. She has a secret crush on her favorite bartender, Archie. Archie only wants to comfort Chloe after her latest jerk dumps her. He doesnt plan to confess to collecting thirty pieces of silver a month for seducing women. He doesnt want to show her the demons sweat-socky man lair. He totally makes up the Ravenswood Project, a spell he claims he cast on the neighborhood to make all the women easy pickings. He doesnt even intend to kiss Chloe. Now the Ravenswood Project is for real, and theres a green sheet in his demonic file and a Joint Task Force after him ...and Chloe wont look at all those men hes raining on her. Oh, no. Chloe thinks Archie made it all up, to hit on her. And shes not taking No for an answer.
