

Believe in Amazing: How Amazon is Changing the World

Jeff Bezos received 52 emails, one per week for an entire year. The author shared with the billionaire problems that average Americans face, and offered ideas to Amazon on how we might solve those problems together. Gathered together in one volume, this book represents a snap-shot of America at its finest. Challenges to be faced, spirit and energy in confronting those challenges, and people of all ages embracing the best technology of the Internet age. Laced with humor and insight, reading this book offers perspective to problems old and new.
