Get all 7 books, plus extra content, at a discount! Legend of the Elementals is an epic dystopian superhero fantasy series, wherein twisted wizard Devidis tricks four modern teens--Ryan, Erin, Kris and Jason--into helping him set off an apocalypse in Tokyo. The four teenagers wake up a century later in a jungle canyon prison where, to survive, they have to make the most of their freshly discovered control over the elements: wind, fire, water, and stone. And thats only the beginning! The adventure continues in this box set from Book 1: Reintroduction through Book 2: Release, Book 3: Reform, Book 4: Relapse, Book 5: Reservation, and Book 6: Respiration before reaching an epic conclusion in Book 7: Revolution! Only available in the compendium... -Enjoy a bonus short story detailing one of the series most mysterious characters. -Survey the Empire of Devidis on an official map. -Go behind the scenes with an Interview with the Author. -Lean in for Music and the Elementals, an in-depth examination of the series lyrical influences. -Examine the ethics and morality underpinning the series in Philosophy and the Elementals. -Take your chance to play along. The rules for a Elementals tabletop game designed by the author are also included!
