She is sure that Em secretly holds the key to who Justine really is. But if she does, Em isn't talking. *Tattooed Teardrops* - I don't plan on getting in any trouble. Tamara had thought that when she got out of juvie, things would be easier. But before long, it seems like her life is spiraling into chaos. Don't miss this chance to get four engaging and unforgettable stories that will inspire you to face your challenges with courage and become a happier and stronger person. Praise for these books: This book is a wonderful story filled with many twists and

turns... it will keep you turning the pages until the wee hours of the morning. The end will blow you away. A great story. As PD Workman draws you inside Justines head you begin to wonder what really makes her act the way she does. Good luck trying to put the book down until you find out why... For me, a sign of a good book is that it is a quick read, holds my interest front to back and I like the characters. This book met the mark on all three of those characteristics. A slimy villain, an eager-to-please side-kick and a heroine who simply wants to move on from her past make for an intriguing tale, indeed! A realistic and beautiful story filled with suspense, heart-breaking friendship and loyalty that will keep you reading until the very end. Cynthia has a Secret hooked me at the beginning and kept me interested right to the last page. Filled with intriguing characters you wont soon forget. PD Workman weaves a fascinating tale... Alone and scared, Carmina would rather take to the streets than trust the police her father has warned her against. This is a page-turning novel that will leave you anxious to find out how it all ends. P.D. Workmans skilled narrative of Nadie and her poignant journey to wholeness is a thoughtful expose of shattered dreams and tragic youth sure to resonate with every reader. An inspiring book which can encourage the reader to face the challenges in lifes journey and to accept the lessons that come as a result. Praise for P.D. Workman Every single one of [P.D. Workmans] books has spoken to me in ways no one or almost anything else has. And I have found strength in the books Ive read. The way that P.D. Workman writes just flows amazingly and allows the reader to get really invested in a book.
