

Soul Love: Awakening Your Heart Centers (Earth Life Series Book 4)

Note: The printed and the revised eBook versions are very similar. The eBook has the addition of 9 illustrations and a new introduction which are not in the printed book. The processes are the same in both versions. As you read Soul Love, you will be doing more than reading a book; you will be undertaking a journey of transformation as you blend with your soul to awaken your heart centers to experience your souls love, light, will, power, and presence. Orin offers some of the most powerful and transformative processes he knows to aid you in loving as your soul. You do not need to use your willpower or force yourself to feel more loving. Instead, you can raise the energy from your solar plexus center into your heart center, then lift the energy from your heart center into your head center, and then send the accumulated energy in your head center down to your solar plexus center, creating a triangle of love that awakens your heart and your ability to love and feel loved. You can create a great shift in your ability to feel and express love. With soul love you can transform negative energy, release power struggles, stay true to yourself, and radiate unconditional love, drawing all good things to yourself. Soul love brings wisdom, clarity, understanding, harmony, compassion, tolerance, inclusiveness, freedom, and joy.
