

The Twenty-First Century Moses

The author of this book announces that the Popes and Bishops have not been obedient to the request of Mary the Mother of God for decades regarding Consecrating Russia to her Immaculate Heart. She promised the conversion of Russia and peace in the world if the above was to happen. Neither has happened. The world is full of unnatural activities such as 40 million abortions per year and same-sex marriages. It is for these reasons the Heavenly Father has called the author to be the twenty-first century Moses. He is to lead the world out of the slavery of sin. This book represents his plan and the rosary is his weapon. In this plan he will recruit twelve generals and millions of Jonahs attempting to lead all people out of slavery.
