

The Book of Herman: The Divine Inside - The spiritual journeys of a mystic reveal your personal path to the Divine

Journey with the authors beyond the horizons of ordinary reality on their real-life spiritual quest to discover the truth about The Divine, the afterlife, and other secrets of the universe. The journey to the truth begins with you. Get ready for an amazing experience! Written by a shamanic mystic and a gifted clairvoyant, this book sheds new, uncensored light on the age-old mysteries of life, death, deity, the cosmos, and much more. It shares what the authors discovered while learning to talk to The Divine and the angels (devas). Journey with them beyond the horizons of ordinary reality on their real-life spiritual quest to discover the truth about The Divine, the afterlife, and other secrets of the universe. Their quest for spiritual truth-sometimes involving out-of-body travel and occasional breathtaking battles with demons (daevas)-begins when they ask for and finally receive the gift of two-way communication with The Divine and the angels. They soon find themselves standing inside the beautiful gateway to the non-physical world of the afterlife, where they discover that human beings are vastly more than most have been led to believe. A revealing book for anyone seeking truth on a spiritual path. It makes you think, ask questions and seek answers.
