

## Storms in the Sea Wind: Ambani vs Ambani

Did Dhirubhai Ambani know about the tensions between his two sons, Mukesh and Anil? Did the patriarch merge RIL and Reliance Petroleum to prevent a future split in the Reliance group? What were the reasons for the frenetic growth of the Ambanis in just about three decades and the subsequent division in less than three years after Dhirubhai's death? What were Dhirubhai's traits that kept the Ambani family together? What were the differences in Mukesh's and Anil's personalities that led to their falling apart? Did mother Kokilaben play a role in bringing about a truce between her two sons? How was the war between Mukesh and Anil fought? Why does the fight continue today even after the truce between the two brothers? A blow-by-blow account of the Ambani saga by noted business journalist Alam Srinivas, who has tracked the Reliance group for twenty years.
