

## Stretching Exercises for Qualitative Researchers

In the new Fourth Edition of her inventive, one-of-a-kind book, *Stretching Exercises for Qualitative Researchers*, author Valerie J. Janesick uses dance, yoga, and meditation metaphors to help researchers tap into the intuitive and creative side of their research. In every chapter, stretching exercises help readers develop, practice, and hone fieldwork skills and vital habits of mind such as observation, interviewing, writing, creativity, technology, and analysis. While reading the book and working through the exercises, readers can complete a researchers reflective journal an invaluable tool that will remain useful throughout their careers.
