

# Survival, Evasion, Resistance, and Escape Handbook (SERE)

The manual encompasses those basic skills necessary for worldwide survival, facilitating search and rescue efforts, evading capture by hostile forces. It is based on and reinforces the values expressed in the Code of Conduct while maintaining an appropriate balance of sound educational methodology and realistic/stressful training scenarios. Covers the following areas: wilderness living, shelter construction, fire building, map and compass navigation, backpacking, food and water procurement, wilderness medicine and first aid, signaling and rescue techniques, escape and evasion, conduct after capture and techniques.
