

## Survival Stockpile: The Survival Essentials You Must Have When All Hell Breaks Loose by Cody Tann

When society collapses, the store shelves will empty out within hours. Will you be prepared? This short, no-nonsense SHTF survival book teaches you the essentials you need to be stockpiling right now. Discover...

- \* What are the best survival foods?
- \* The cheap, high-calorie, high-protein foods you must start storing right now.
- \* Just a couple of tablespoons of this common high-energy readymade food will help you survive even if you are on limited food intake.
- \* The instant energy-booster that will become hot commodities in the weeks after a disaster.
- \* The centuries old survival food that wont go bad and can be carried anywhere.
- \* What nutrition-packed green product can you eat when there is no fresh produce? The answer is inside.
- \* The top SHTF gear to start stashing today.
- \* A simple way to keep warm in the winter - even when the grid goes down.
- \* Why you should stock up on these \*disgusting\* items which will be the new currency when paper money is worthless. ...and many more SHTF prepping tips and items you must start stockpiling now.
