

SURVIVE!: Addison's guide to the zombie apocalypse

Meet Addison! She is a lot like other girls her age. Her interests include celebrities, fashion, and blogging. She loves spending time with her friends at the mall. And her personality is both bubbly and infectious. Not as infectious, however, as Hepfolk. After the deadly Hepfolk virus turned over 80% of the world into zombies, Addison started learning quickly that life was nothing like it used to be. Wanting to help others with the lesson shes leaned over her months surviving (and likely also missing her blog) Addison has compiled three guidebooks to help others like her trying to stay alive now that zombie roam the Earth. Kicking things off with her top survival ideas, Addisons tips and hint are sure to get you smiling. Between her antidotes and unconventional advice, youre sure to be ready to make it until the end of the world after reading Addisons ideas for survival. Next enjoy Addisons new post apocalyptic cookbook that is sure to give you new meals and treats to share with the people in your survival family. Finally, after realizing just how dangerous and heart breaking living in a world full of zombies can be, Addison writes a final guidebook filled with hard choices and impossible goodbyes. It is sure to be a rollercoaster of emotions as readers watch Addison come face to face what could be her last days on Earth.
