

My Rebellion Checklist

How far would you go? Victoria Mathersons summer to-do list looked something like this:1. Get organized for college2. Complete summer job at Dads office3. Spend a romantic summer with AdamDuring the first week of her summer vacation, Victorias super controlled life suddenly swerves out of control. Her boyfriend breaks up with her unexpectedly, she gets in a near-fatal car wreck, and her parents announce the end of their twenty-year marriage.Victoria decides to live life messily, to take chances, and finally to rebel. Taking on the new name of Tori, she creates a checklist of rebellion--#3 Get an extreme haircut, #6 Pierce something--which shell use to show everyone around her that all the changes to her perfectly organized life havent affected her in the least. Even though they have.With the help of her quirky and cute co-worker Zack, Tori will check off the crazy items on her list and learn what it means to give up control and be free. But just how far will she go?
