

## Sybrinas Phrase Thesaurus: Moving Parts - Part 1 (Sybrinas Phrase Thesaurus Book)

Sybrinas Phrase Thesaurus is a reference tool for anyone with a need to compose unique, descriptive phrases. It's a great tool for creative writers of any genre including students, people just learning English, people wanting to improve their communication skills, artistic professionals like photographers, videographers, models, actors and many others. Anyone who enjoys reading unique descriptive phrases will love Sybrinas Phrase Thesaurus because it is packed full of descriptive phrases on every subject ...from descriptions of the body, and how it looks, moves and interacts ...to word pictures describing all types of landscapes, waterscapes and skyscapes. This book, MOVING PARTS Part 1, encompasses the top half of the body, describing how it moves and functions. Part 1 covers everything to do with the head, including voluntary and involuntary actions such as listening, blushing, breathing, winking, coughing, singing and much more. Just read the phrases and use what you want just as they're written or better yet, read all the suggested phrases in a particular category for inspiration to conquer your writers block!
