

MySearchLab with Pearson eText -- Standalone Access Card -- for The Natural Speaker (8th Edition)

Encourages students to research, organize, and deliver an effective speech

By providing a basic knowledge of speech construction, practice, and delivery, *The Natural Speaker* is designed to enhance and improve students' natural speaking strengths. Featuring a warm, simple, and humorous writing style, this title presents the fundamental concepts and skills required for effective speaking. MySearchLab is a part of the Fujishin program. Research and writing tools, including access to academic journals, help students understand critical thinking in even greater depth. To provide students with flexibility, students can download the eText to a tablet using the free Pearson eText app.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. --
