

## The Aquarian Gospel of Jesus the Christ

The Aquarian Gospel of Jesus the Christ (full title: The Aquarian Gospel of Jesus the Christ: The Philosophic and Practical Basis of the Religion of the Aquarian Age of the World and of the Church Universal) is a book by Levi H. Dowling, first published in 1 Dec 1908. He said he had transcribed the text of the book from the akashic records, a purported compendium of mystical knowledge supposedly encoded in a non-physical plane of existence. In the later 20th century, it was adopted by New Age spiritual groups. The title is derived from the practice in astrology of naming time periods in terms of constellations and their dominant positions in the sky, according to the earth's axial precession. In that system, the Age of Aquarius is approaching.
