

The Aquarian Path to Abundance: A BrightStar Empowerment

THERE HAS BEEN ENOUGH LACK, MISERY, AND FEAR. IT IS TIME TO WRITE A NEW STORY. It has been said that the love of money is the root of all evil, but actually it is the fear of money that causes the distortion. Yet you can have your view cleansed and expanded. You possess everything you need to make this a reality--it is only the impediments that need to be abandoned. To increase your financial prosperity and abundance, we say: * Stop your identification with limitation and its subsequent suffering. * Identify yourselves as Cosmic Creators, and trust in this. * Search your energetic being to identify areas of fear, blockages, and so forth. Developing and listening to your true spiritual nature, and turning down the false voices of separation and fear are essential in these times. Drop your fetters, and soar upon the wings of Spirit, beautiful Beings! You are the one who makes it so.
