

The ARCTIC6 Adventure Series (Book 1, Killer Strangelets)

Think Mission Impossible For Kids! When a powerful scientist turns bad, the outcome can affect the entire planet. Katrina Kreng, a formerly brilliant scientist at CERN (The European Organization for Nuclear Research), is hell bent on revenge. Her plan? To destroy the universe by recreating the Big Bang explosion. When six kid detectives, known as the ARCTIC6, find out that their leader Iagos father has been kidnapped to facilitate Krengs plan they face a race against time to save him and the rest of the world. This adrenaline packed thriller will keep you on the edge of your seat until the very last page. ... Alex Rider for a younger set! Kirkus Reviews
