

Initiation into the Grail Mysteries: Advanced Spiritual Teachings, Practices, and Empowerments for Esoteric World Service

Significant new spiritual impulses come into our world through the strivings and invocations of unique men and women who have achieved a close attunement with the invisible guides of humanity known in Hermetic terms as Spiritual Hierarchy. The Temple of the Holy Grail is a new spiritual impulse given in the latter quarter of the twentieth century. It is a mystery school designed to empower spiritually mature women and men with Hierarchical attunement for esoteric world service. Thus, Hierarchy has created an initiatic mystery school based not upon secrecy, but accessibility, and not upon hidden geographical centers, but a worldwide virtual platform. T:H:G:. is not dependent upon secret adepts, but upon self-empowerment. It is focused not merely upon the spiritual achievements of the past, but upon the coming generation of spiritually gifted individuals who are attuning themselves to Divine Will and Hierarchy. T:H:G:. exists to facilitate the empowerment of those spiritually talented individuals who have the potential to contribute wonderful new achievements of soul and spirit for the sake of the New Humanity. It is a tool to be used by such people.
