

# The Grocery Garden: How Busy People Can Grow Cheap Food (Simpleton Solutions)

Spend more time dining than digging. Finally there's a gardening book for people who want to eat, but don't need another hobby. The Grocery Garden is the definitive resource for growing real food with little effort and even less expense. You'll learn what's really important to plants, how to work with your local climate and conditions, and where to get supplies dirt cheap. This knowledge first approach makes all the difference in eliminating most of the work of growing your own fresh, delicious, healthy meals. You'll be amazed how much you can produce, and how easy it is.
