

The Big Apple Effect (Orca Currents)

After a lifetime of New Age adventures with her weirdo hippie mom, fifteen-year-old Maddie is realizing a lifelong dream and visiting New York City. Armed with her 130-item to-do list, Maddie hits the streets of New York with her friend Anna and Annas brother, Thomas. Maddie drags her friends around on an epic quest for the ultimate art-show outfit, oblivious to the fact that they dont share her passion for vintage clothing. Three days into the trip, a most unwelcome surprise--the arrival of Maddies mother--threatens to derail the entire adventure. As her mothers obsession with dietary trends and fortune-tellers takes center stage, and everyones tempers get thin, Maddie has to face some ugly facts about how shes been treating her friends.
