

The Cannabis Encyclopedia: The Marijuana Almanac: Cannabis Sativa, 101 Strains (marijuana growing, cannabis growing)

Are you searching for the perfect cannabis strain for your next marijuana growing operation? Are you seeking the strain that matches your personal preferences? Do you just want the best cannabis coffee table book on the market? If so, The Cannabis Encyclopedia is the perfect book for you! Every Cannabis consumer has their personal preferences when it comes to the perfect strain of marijuana. In Book 1 of The Cannabis Encyclopedia, Fat Fred Rodgers brings you over 100 of the most popular Cannabis Sativa Strains on the market today. Sativa strains are renowned for their medicinal qualities, high THC levels, as well as their uplifting, energetic, and euphoric effects; making these strains of marijuana the perfect daytime smoke. Fred has gone above and beyond in providing an accurate and detailed description of each strain. Every strain will include: -The description including aroma, lineage, and history -The THC and CBD content -The Taste -The Top Five Characteristics of each Strains High on a 1-10 scale: -Happy, Euphoric, Uplifting, Creative, Energetic, Focused, Relaxed, etc. -The medicinal qualities and ailments each strain is best suited to treat: -Fatigue, Pain, Stress, Depression, Lack of Appetite, Nausea, Anxiety, Inflammation, etc. -Growing Information and Tips -Preferred Growing Medium and Environment, Yield Size, Difficulty Level, Most Responsive Plant Training Methods, Flowering Time, etc. Fat Fred Rodgers didnt earn his nickname by overeating; he was given the name by his family and friends for consistently growing fat buds. With two family owned grow houses in Canada, Fred grew up in the cannabis community. He sits in a class of marijuana activists with men like Brian Vicente, Jorge Cervantes, and Sanjay Gupta. He not only loves cannabis for its effects but he is deeply passionate about the benefits of medicinal marijuana for many suffering Americans.

He is an expert in cannabis derivatives including, dabs, dabbing, hash, BHO, oil, and edibles and he has consulted on over 31 grow operations for dispensaries worldwide. With the end of cannabis prohibition within sight for the USA, Fred is on the forefront of this new exciting era for marijuana consumption and marijuana growing for both personal and medicinal purposes. It is a beautiful time to be alive and witness such an amazing movement in the world of cannabis! -Fat Fred Rodgers
