

## The Christ Blueprint: 13 Keys To Christ Consciousness

While traveling in the remote Camargue region in the South of France, Padma Aon Prakasha received a life-changing visit. In a series of communions over two months, the thirteen Apostles and masters of Christ shared the thirteen qualities of Christ Consciousness with him. Now Prakasha shares this Christ Blueprint with readers, which is a continuum of the highest ideals of Indian, Egyptian, Tibetan, and Judeo-Christian sacred traditions. These teachings present ancient wisdom for the twenty-first century and give equal attention to male and female principles as the face of divinity. The Christ Blueprint reveals the path to opening our hearts by accessing the many facets of Christ Consciousness, enabling readers to live their hearts desire, from finding soul mates to living in peace, love, and joy. Spiritual topics and their guides range from Holy Desire (Mary Magdalene), Humility (Paramahansa Yogananda), and Compassion (Kwan Yin) to Power (Lady Ishtar), Divine Will (Prophet Elijah), and Polarity (Lucifer The Light Bearer). Including practices and an examination of the shadow side of each element that makes up our divinity, The Christ Blueprint offers practical insights and exercises, not just inspiration, for leading a more peaceful and integrated life.
